

A photograph of three business professionals in an office setting. A man in a blue suit and striped tie is smiling and looking at a tablet held by a woman in a dark blue shirt and glasses. Another woman with blonde hair is also smiling and looking at the tablet. The background is a bright office with large windows. The text "Your partner in success" is overlaid in a blue, handwritten-style font.

*Your partner
in success*

We provide consistency. Yet at the same time flexibility.

We develop tailor-made solutions that create sustainable value.

In this way you can obtain exactly what you need. One and the same partner to support you for years to come. We can mobilise our network around the entire world for your projects, as required.

At all times - even tomorrow. You can rely on us.

Your partner in success

PKF Fasselt ranks among the best performing audit and consulting firms in Germany. We realise our commitment to create additional value for your success through close cooperation that is focused on your requirements.

A global network

We can overcome functional, geographic and linguistic boundaries.

Our international PKF network is of inestimable value for complex, time-critical and transnational projects. We are also able to deal quickly and efficiently with all aspects of the auditing of international consolidated financial statements and transactions.

Quality, according to our definition, has many facets.

High performing teams

To this end, we work closely together with each partner within effective structures that have been developed in decades.

Committed individuals

An experienced consultant will provide you with support and will be a hundred percent committed to ensuring that the best solutions are realised for your company.

Professional expertise

Many of our employees have completed several, frequently international, courses of study and training and have gained extensive experience abroad.

Corporate responsibility

Despite of our size we retain many characteristics of smaller enterprises. This means that we understand your business and our actions, like yours, are independent, responsible and direct.

Multidisciplinary

Tax consulting

Including, amongst others, structuring of tax affairs, tax returns, assistance in dealing with the local tax office or the tax court
